

# TIMBERBITS

HELPING YOU CREATE WITH WOOD

## Lester Pen Kit

**Drill Bit:** 9.5 mm

**Bushings:** Lester (A0211)

**Tube:** Lester Brass Tube (A0210)

**Refill:** Lester refill (A0209)

**Blank:** 20mm x 20mm x 90mm

### Turning

Mount on A0211 bushings. Turn to bushing diameter, sand, and finish.

### Assembly

1. Press coupler into one end of barrel. (Note: coupler and nib may come pre-assembled)
2. Slide clip onto end cap, then press end cap into opposite end of barrel.
3. Drop spring into coupler inside barrel (larger end first).
4. Remove protective cover from refill and insert into barrel, pushing against spring.
5. Screw tip onto coupler.
6. Place tip cap over tip of pen.
